

CITROËN RELAY

RELAY

# READY FOR ANYTHING. WHATEVER YOU THROW AT IT, CITROËN RELAY IS UP TO THE JOB, AND MORE.

THE AMAZING CHOICE OF SIZES AND PAYLOADS MEANS THAT ALL BASES ARE COMPREHENSIVELY COVERED. BRAND NEW CLEAR GLASS HEADLIGHTS, EDGED IN CHROME AND EQUIPPED WITH DAYTIME RUNNING LIGHTS, ARE POSITIONED HIGH AND SEND A BOLD MESSAGE AT A GLANCE – THIS DEFINITIVE VAN RANGE WITH A PEERLESS HERITAGE HAS MOVED ON.

11 OPTIONS 12 DIMENSIONS 14 TECHNICAL SPECIFICATION 15 ENVIRONMENTAL COMMITMENT

# AN EXTENSIVE CHOICE. THE CITROËN RELAY OFFERS AN IMPRESSIVE RANGE OF EQUIPMENT IN MULTIPLE CONFIGURATIONS.

THE CITROËN RELAY HAS A GROSS VEHICLE WEIGHT OF UP TO 3.5 TONNES, WITH PAYLOADS OF ALMOST TWO TONNES. THE RELAY IS AVAILABLE IN FOUR LENGTHS, THREE WHEELBASES AND THREE HEIGHTS, ENCOMPASSING USABLE LOAD SPACES FROM 8M<sup>3</sup> TO 15M<sup>3</sup>.

It is available in Panel Van, Enterprise, Chassis Cab and Crew Cab variants. With such a diverse and comprehensive range, the Citroën Relay can be tailored to meet the needs of even the most specialist customer. Powering the Relay are 2 diesel engines. BlueHDi 110 optimised for low emissions and low fuel consumption and BlueHDi 130, all with exceptional pulling power. Each model now has ESC as standard and optional Intelligent Traction Control can be fitted, which features Hill Descent Control to retain grip and stability on slippery slopes up to 32km/h.

## ► PNEUMATIC SUSPENSION FOR EASY LOADING

Optional rear pneumatic suspension gives even greater ride comfort. The load sill – already very low even with standard suspension – can be lowered by another 7cm, giving the Citroën Relay one of the lowest load heights in its class.

## ► INTERIOR COMFORT

The Citroën Relay has been designed to be a true extension of the office: three generous seats (driver's seat with height and lumbar adjustment and dual passenger bench seat), a quiet, well-insulated cabin, and a dashboard with multiple storage areas and clever features. A document clipboard integrated into the top of the dashboard keeps paperwork tidy, while a panel integrated into the back of the front dual passenger seat unfolds to become a work surface. Once you've finished working, your laptop can be stowed safely in the central one of two lockable glove compartments, specially designed to accommodate a laptop computer.

## ► WELL CONNECTED

Citroën Relay's audio technology has progressed – like everything else. Now there are new levels of functionality and connectivity that include DAB digital radio as standard across the range. On panel vans the Audio System with Connecting Box offers a host of features such as an LCD screen, Bluetooth® handsfree, USB 2.0 socket, Apple device interface and steering-mounted controls. Enterprise panel vans also benefit from a 5 inch colour Touch Screen, MP3 CD player and Bluetooth® handsfree with audio streaming and SMS functions.

# EVERYTHING. AND MORE. INCREDIBLY VERSATILE, SPACIOUS AND COMFORTABLE, THE CITROËN RELAY IS READY FOR ANY PROFESSIONAL CHALLENGE.

AVAILABLE WITH A HUGE VARIETY OF EQUIPMENT INCLUDING A FULL STEEL BULKHEAD, STANDARD ACROSS THE RANGE, AND REAR PARKING SENSORS STANDARD ON ENTERPRISE MODELS AND OPTIONAL ON PANEL VANS. THE CITROËN RELAY HARNESSES CITROËN INNOVATIONS, INTELLIGENT DESIGN, DURABLE ENGINEERING AND THOUGHTFUL DETAILS TO CREATE THE COMPLETE WORKING PARTNER. ALWAYS VIGILANT, THE OPTIONAL TYRE PRESSURE SENSORS WARN YOU WHICH WHEEL IS AFFECTED WITH A CLEAR ON-SCREEN MESSAGE, WHILE ALL RELAY ENTERPRISE MODELS GAIN AN ALARM, FOR COMPLETE PEACE OF MIND.

## ➤ ALL KINDS OF CONTROL

Cruise control with programmable speed limiter makes it easy to maintain or limit speed in all conditions without using the accelerator pedal. The programmed speed can be changed instantly using the left hand stalk, or via the accelerator. Functions of the new system include acceleration and deceleration, vehicle speed memory, stored speed recall and automatic deactivation when the handbrake is engaged. This useful technology is standard on Citroën Relay Enterprise and optional on other versions.

(M) Metallic

<sup>1</sup> 225/70 R15 C if pneumatic rear suspension specified.

Please note: Colours and pictures shown are for illustration purposes only. Please consult your Dealer for definitive colour and trim/upholstery details.

## > CONTROL IN FULL COLOUR

Available for the first time in Citroën Relay, the optional colour reversing camera works with rear parking sensors, transmitting bright clear images to the 5 inch colour LCD audio system screen. Engaging automatically when reverse gear is selected, the camera adds useful guide lines to the image you see to make the trickiest manoeuvres much easier – and bump free.

## > RELAX, YOU'RE ON COURSE

With its camera mounted above the rear view mirror, the Lane Departure Warning System senses when Relay drifts across lane markings without indicating and sends you an audible and visual warning. This innovative and reassuring technology activates at speeds above 60 km/h.

# THE BUSINESS. WHATEVER FORMAT AND EQUIPMENT LEVEL YOUR WORK DEMANDS, THE CITROËN RELAY RANGE WILL DELIVER A TOUGH PROFESSIONAL PARTNER.

EVERY MODEL IN THE CITROËN RELAY RANGE HAS A SUPERB SPECIFICATION, UNMISTAKABLE INTERIOR COMFORT AND HUGE LOAD VOLUMES AND PAYLOADS. IT'S TIME TO CHOOSE THE PERFECT FIT FOR YOUR BUSINESS...

## ➤ CITROËN RELAY **PANEL VAN** SPECIFICATION INCLUDES:

- ABS
- Electronic Stability Control (ESC)
- Emergency Braking Assistance
- Immobiliser
- Driver's airbag
- High frequency remote control central locking with plip
- Rear doors opening to 180°
- Nearside sliding side loading door
- Steel wheels
- Electric front windows
- Tinted windows
- Laminated windscreen
- Heated twin lens door mirrors with electric adjustment for passenger side
- Full steel bulkhead
- Mid-height interior protection in load compartment
- Driver's seat height adjustment
- Height adjustable steering wheel
- Audio System with Connecting Box – DAB digital radio with steering mounted controls, Bluetooth® system and USB socket
- Steering wheel mounted controls

## ➤ CITROËN RELAY **ENTERPRISE PANEL VAN** SPECIFICATION IN ADDITION TO PANEL VAN INCLUDES:

- Air conditioning
- Cruise control with programmable speed limiter
- **Touch Screen Audio Pack** – DAB digital radio and MP3 CD player with steering mounted controls, 5 inch colour touch screen, Bluetooth® handsfree and USB socket
- Rear parking sensors
- Perimetric alarm
